

# すうじのあなうめ

なまえ

□にはいるすうじをかきましょう。

6 7 □ □ 10

A horizontal number line with five boxes. The first box contains the number 6, the second contains 7, the third and fourth are empty, and the fifth contains 10. Below each box is a pattern of orange dots representing the number of dots in the box: 6 dots for 6, 7 dots for 7, 8 dots for the first blank box, 9 dots for the second blank box, and 10 dots for 10.

6 □ 8 □ 10

A horizontal number line with five boxes. The first box contains the number 6, the second is empty, the third contains 8, the fourth is empty, and the fifth contains 10. Below each box is a pattern of orange dots representing the number of dots in the box: 6 dots for 6, 7 dots for the first blank box, 8 dots for 8, 9 dots for the second blank box, and 10 dots for 10.
